30/28-18(1)

I send my Season's Greetings. I hope 1955 will bring happiness and prosperity to you.

I am very sorry for not sending these greetings earlier, but unfortunately some special greetings cards which I had ordered from India have not yet arrived. They were despatched as far back as the middle of October 1954, and they still seem to be coming.

Shanti-Kutir,
34 Mugga Way,
Canberra, 1954-55.
